THE HEROES OF JULY.:
A SOLEMN AND IMPOSING EVENT.
DEDICATION OF THE...

The ceremonies preceding the dedication of the National Cemetery consisted mainly by permission of Major General Rufus Saxton, in the late Federal Army, so much by the City and State of New York, and by private subscriptions, of the soldiers of the Chatfield, and the345th New York Volunteers. The dedication of the monument is to be made by the President, to be followed by the reading of an address by the Governor of the State, and by the presentation of the resolution of the State Legislature and the cities of New York and Brooklyn. The ceremony will probably be attended by a large crowd, and will be opened by a military parade, and concluded by the presentation of the monument to the State and City of New York.
